### **SIX SPECIES, SIX LAKES**

Fantastic fly fishing begins just over the Minnesota border. We'll fly from Fort Frances, Ontario, to Slippery Winds Resort on beautiful Yoke Lake. This lake is adjacent to five other wilderness lakes, all holding a variety of sport fish. Smallmouth and largemouth bass, plus pike, muskie, lake trout and walleye are abundant. This is truly a unique angling experience - the opportunity to catch six different gamefish on six different lakes on a single trip!

### **SUPERB INSTRUCTION**

In addition to enjoying great fishing in a beautiful setting, you'll have a perfect opportunity to learn all about angling's latest frontier, lake fly fishing. Tim Holschlag will offer informative seminars each evening covering all aspects of lake fishing including: the best techniques, seasonal locations, rigging for pike and muskie and fly pattern advice. Casting and rowing instruction also is available. For those new to lake fly fishing, these trips are an ideal introduction to this exciting angling experience.

### **QUALITY FISHERIES, QUALITY SERVICE**

All lakes are catch and release to maintain the highest quality fisheries. There are excellent numbers of both bass species in the 18- to 20-inch-plus range and a number of 40-inch-plus pike and muskies are released every year. Even 30-inch plus walleye and 35-inch plus lake trout are possible. All are excellent sport on a fly rod. Slippery Winds Wilderness Resort offers first-class lodge accommodations and dining in a beautiful northwoods setting. The lodge provides superior service at an extremely good price. These Midwest Fly Fishing-endorsed trips include 4 full days of fishing, five nights of lodging, daily seminars, excellent meals, boats on all six lakes, fishing licences and a 30-minute float plane trip directly to the lodge from the Minnesota border. Trip Host: On these unique trips, your host will be noted guide, angling instructor and outdoor writer Tim Holschlag. Besides being Midwest Fly Fishing's warmwater editor, Tim has fished and explored northwest Ontario lakes for 27 years and led trips to nearby Quetico Park the past dozen years. A long time angling instructor, Tim will work to insure your trip is an enjoyable learning experience.
